THE LATEST AT TALARIAX
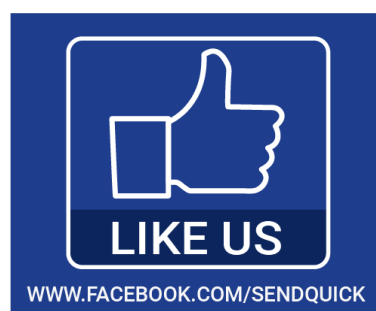

COVID-19 has pushed the entire nation beyond the limits of what we would normally bear - but Talariax is proud to stand with the community and continue to provide the best services and care to fight against the pandemic. Here's how:

1) Setting up an "Online Clinic" for your troubleshooting enquiries and more

We are setting up an "Online Clinic" to answer your pressing questions and help you connect with our team of experts! Simply "Like" our Facebook Page to enjoy exclusive invites to our Facebook Group. Stay updated on the best and latest of Talariax's software today!

2) Launch of sendQuick onCloud in Australia and the United States of America

Talariax has launched sendQuick onCloud in Australia and the USA! sendQuick onCloud is a systems availability monitoring and notification management platform for cloud. Monitor systems, applications, services and network on public cloud faster, better and easier by sending critical alerts to your staff when issues flare up.
